SMALL GROUP NOTES
"Community"

1. Share what stood out to you from the service this past Sunday. (Passage, point, song, announcement, illustration…)

2. Read I Corinthians 1:1-9 as a group. What stands out from this passage and what can we learn?

3. Discuss the importance of avoiding isolation and living among true friends. How can isolate be dangerous? How can friendships help us in our walk with God?

4. In this passage, Paul states that we are "sanctified in Christ Jesus." Discuss what it means to be set apart and the reasons for which this has taken place.

5. Those who are saved have received God's grace. From verses 4-6, discuss what it means to be enriched in everything by Him. What should this thought do practically in our lives as believers?

6. How does the thought of living for the next life affect our present, temporal relationships? Why is important to fellowship with those who have this mindset as well as being this type of person?
